RE: FC Delco Player's Cup 2017 Tournament

Please feel free to share this letter with your schools

On behalf of the FC Delco Players Cup, we would like to request the release of all players that are members of the FC Delco Players Cup teams from your school to participate in our events during the 2017 tournament. We realize the importance of a player's education and strive to accommodate the academic calendar that varies from state to state, while also being cognizant of the financial impact that participating in a national tournament has on families. Regrettably, our schedule may result in limited number of days missed from school.

The FC Delco Player's Cup has been developed to provide elite level teams and their players with extraordinary opportunities to showcase their talents in front of numerous college coaches and National Team scouts who are charged with identifying and developing the teams that represent the United States in international competitions such as the Olympics and World Cup. The opportunity provided to the players is great both on and off the field. As we all know, players at the elite level are striving to extend their educational and soccer playing careers to the college level. Entering the 18th year of our tournament, we have already seen the benefit our tournament has in helping these players achieve their goals. The dates of our competition are (please know to allow for a travel day before and after the competition days) : May 26-29.

Thank you for understanding in regards to the absence of FC Delco Players Cup players from school during this event. Please feel free to contact me with any questions. I can be reached at jlevan@yscsports.com or 484-678-1432.

Sincerely,

Joe Levan
Tournament Director
FC Delco Players Cup
